Sir,

P
V

With reference to your docket No. 933- Med. 239-13-2 dated 23-7-1914, requesting me to take needful action in the matter of Subject No. 328 of the Dassara Representative Assembly Proceedings of 1913, I have the honor to enclose copy of letter No. 206 dated 20-11-1914, from the District Medical Officer, Shimoga, and to state that, under the circumstances therein reported, there does not seem to be any need for increasing either the accommodation for in-patients, or the allotment or the staff of the Dispensary, for the present. The Deputy Commissioner has also been informed of this.

I have the honor to be,

Sir,

Your most obedient servant,

T V Arumugam

Senior Surgeon.

Enclosed 239-13 J 2

Letter No. 206 dated 20-11-1914 from the District Medical Officer, Shimoga, to the Senior Surgeon, Mysore Government.

With reference to your No. 1143 dated 4-9-1914, I have the honor to state that at present the ward attached to the Sorab Dispensary can accommodate four patients and that the kitchen is used by the Dispensary servants both for cooking for the inpatients and for preparing decoctions, &c., for the out-patients. There were five in-patients at a time only once in 1913. As such increased accommodation for in-patients is not necessary at present.

The following are the details of the in-patients treated there.

	No. of inpatients treated-	Daily average.
1911	nil	nil
1912	3	.008
1913	17	.047

The cost of feeding the inpatients is ~~in~~

	No. of inpatients treated-	~~D~~ Rs As. P.
1911-12	nil	nil
1912-13	16	15. 5. 1
1913-14	8	10. 3. 0

The present budget allotment is Rs sixty a year. The provision is sufficient. There is no necessity for a Nurse. The Midwife can assist the establishment in treating the in-patients when she is not attending to her labour cases. She has not much work there. For the past two years she has conducted only (1912-13) 31; (1913-14) 25 cases.
